

The Ultimate Ditty Bag

The *Ultimate Ditty Bag* is designed to identify and hold your performer's small costume pieces, undergarments and shoes in the dressing room during a performance.

Features:

- ✓ Large bag, 19" x 40" made of 7.5 oz cotton/polyester twill fabric. It is designed to hang over a heavy duty hanger. Durable enough to last for many years of productions - even with the most rambunctious actors. Hand made in the USA.
- ✓ Easily readable number - each bag will have a number on the bag itself and the detachable laundry bag. When you order the bag - please tell us what numbers to use (# 1-99).
- ✓ Vinyl pocket to hold a 'Ditty Bag Card' printed from the Theatre Inventory Database (Productions Reports / Performance Management). The card will have the performer's name, the role name, all the costume pieces that belong to the Ensemble plus a photo from the Ensemble record.
- ✓ Small mesh pocket - for small items like jewelry, bow tie, handkerchiefs, etc. There is a snap in the middle to secure it.
- ✓ Large fabric pocket - for belts, ties, clean socks, clean t-shirt, etc.
- ✓ Large detachable mesh laundry bag to hold dirty socks, undergarments. It is fastened with snaps so it can be removed and the contents washed and dried in the bag. Once it is out of the laundry it can be re-united with the correct Ditty Bag as it has the same number.
- ✓ Shoe pockets - for 2 pairs of shoes.
- ✓ The back has a slit opening so a performer can hang their street clothes inside.
- ✓ A "Property Of ..." tag on the back where your school/theatre name, phone # or website can be printed. (Give us printing instructions with your order.)
- ✓ Easy-to-clean bag - just Machine Wash - Gentle with Cold Water and line dry. Remember, the vinyl pocket can't handle the dryer heat!

Accessories: (not included)

Hanger: We recommend the Walmart **Heavyweight** Plastic hangers (5 hangers for \$2). We do not recommend a standard plastic hanger as they will break and metal hangers can bend.

Wardrobe bag: (to cover the Ditty Bag while traveling to competitions) Look for a heavy vinyl or fabric bag that is at least 21" wide and 42 or more inches long. Walmart has one for under \$10 which will hold two Ditty Bags or a Ditty Bag and a costume. You can print large numbers on Avery labels #6572 from the Theatre Inventory Database to match the Garment Bag with the Ditty Bag.
