## Uniform Inventory Resources
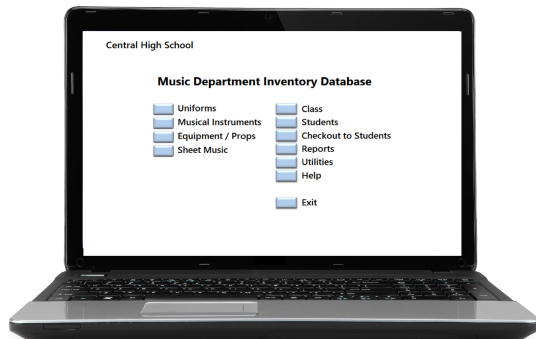

# I want to Inventory my ...

# Music Department

## Uniforms, Musical Instruments, Equipment & Props/Flags and Sheet Music

If you are interested in creating an inventory for your band, orchestra, or choir - this *Quick List* of products and support resources will help you plan for what you need.

### Music Dept Inventory Database

The *Music Dept Inventory Database* is an easy-to-use database to inventory your uniforms, musical instruments, equipment/flags/props and sheet music.

✓ Create detailed records with 2 photos
✓ Search on many fields - view results as list or Photo Gallery
✓ Print and share reports
✓ Assign Uniforms and Instruments to Classes
✓ Rent/check-out uniforms, instruments and equipment - Run reports to see what is still checked out
✓ Checkout Sheet Music
✓ Download a Free 30-day trial!

The Music Dept Inventory Database is a MS Access® database that can be installed on a Windows PC or network. It is a one-time cost (no recurring charges).

### Tags & Labels

**Custom printed inventory tags** with barcodes for garments and labels for shoes, props/flags, equipment, etc.
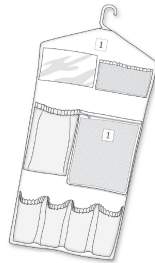

### Barcode Scanners

We offer 2 types of **barcode scanners** - wired and wireless. Scan the barcode tags to add records, find a record, checkout out uniforms and check them back in quickly.

Petite Press

The **Petite Press** (by Dritz) is a great little iron to apply the Iron-on Inventory Tags. It gets very hot (good for Iron-on tags) and is small enough to fit in small places.

The Ultimate Ditty Bag

The **Ultimate Ditty Bag** is a great way to keep an band member's small uniform accessories and shoes all in one place.
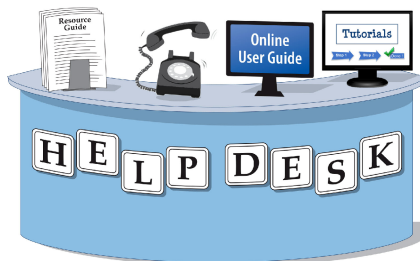

Rack Dividers

Our King-sized **Rack Dividers** are great for keeping your uniforms organized in the storage area and dressing rooms.

**Adhesive Pockets for Storage Boxes**

If you store any of your uniforms or accessories in bins or boxes you will want to put a list of what is in the box on the front. You can print a list of the contents from the *Reports* menu. If you have a small box you can print a *Box Report* on a 4" x 6" card. You can get the **4" x 6" pockets** from our store. For larger lists you can use an 8 1/2" x 11" sheet protector.

Check out our *Support* page on the website for links to our extensive collection of *Resource Guides* and *Tutorials*.
